

## GEORGE'S (INDOOR + OUTDOOR)

design David Lopez Quincoces

Dining chair available for indoor and outdoor in both Light version (only frame) and woven in the finishing available in our collection.

**Indoor version:** supporting frame in tubular and steel rod section Ø16mm coated with epoxy powder finish RAL-K7 9017 matt black. Weave in hide (Ø2,5mm) or waxed rope (Ø2mm). Seat, made of 5 slats glued together, in natural or charcoal- dyed solid ash wood with water-based acrylic paint finish.

**Outdoor version:** supporting frame in tubular and steel rod section Ø16mm coated with a galvanizing base for outdoor and epoxy polyester powder finish RAL-K7 9017 matt black. Weave in waxed rope (Ø2mm) and seat, made of 5 slats glued together, in solid Iroko wood for outdoor.

Floor support secured by plastic feet.

### Notes

Wood is a living material and, as such, can show small alterations in color and size. Iroko wood may therefore present not homogeneous shades of color, to be considered as a quality and not a defect. For the maintenance of Iroko kindly follow the instructions included in the maintenance kit supplied with the product.
