

GREK BOX

design Oscar & Gabriele Buratti

Storage unit, available in two versions:

Floor-standing unit: supporting frame, 12mm thick, made in folding, in "sandwich" of MDF and aluminum sheet pressed and glued together and MDF plinth, matt black lacquered with integrated black adjustable PVC tips.

Wall-mounted unit: supporting frame, 12mm thick, made in folding, in "sandwich" of MDF and aluminum sheet pressed and glued together, with a steel bar embedded in the back side, fitted with threaded holes which allow to install it on the wall through an MDF frame, matt black lacquered, with integrated hook and inclination-control system (height, depth and inclination).

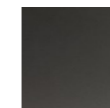

Both versions finished with matt black liquid painting.

Wall-mounted version maximum load:

– 240cm cabinet/unit: 90Kg

– 120cm cabinet/unit: 40Kg
