Designed by Studiopepe, Five to Nine is a contemporary daybed that can also be used in commercial settings as gallery or lobby seating.

Five to Nine features a sequence of roll cushions individually inserted within the solid Ash timber structure. The cushions may be upholstered in fabric or leather from Tacchini's house range with the timber structure finished to dark grey or walnut stain.

Accessories include a backrest, in two different sizes, a headrest and a round coffee table with either a metal or concrete top.
