### About the design

Hven is a collection of inviting and minimalist furniture with a natural Nordic look and feel. Hven is named after the Swedish island that lies in the strait between Denmark and Sweden. Designed in collaboration with contemporary Swedish designer, Anton Björnsing, the minimalistic collection is easy to mix with other furniture. An embracing and comfortable armchair designed to support memorable moments around the dining table. Hven Armchair carries a light expression highlighted by a few subtle details such as the overlapping poles, round corners and curved shape. Made of 100% FSC-certified oak.
