

AVION™ - PENDANT

The Avion™ is inspired by a childhood fascination with aircraft - in particular, Zeppelin airships gliding across the sky. The lamp's large, oval-like shape has a playful expression, and emits a soft and diffused light that contributes to the natural atmosphere of any space.

DESIGNER / YEAR OF DESIGN

Iskos-Berlin, 2012

ABOUT THE DESIGNER

Iskos-Berlin Design is a partnership of Aleksej Iskos and Boris Berlin. The company was established in late 2010, but Aleksej and Boris have been working together for a number of years. In 1987, Boris co-founded Komplot Design, where Aleksej was employed for more than 11 years. This long and fruitful cooperation has allowed them to develop a shared philosophy of design.
