

## MOON

design Mist-o

Bedside table composed of two semi-cylinders in multilayer curved natural or charcoal dyed oak 7 mm thick, with water-based acrylic paint finish. Base, shelves and top in 15 mm thick MDF veneered with oak plates. Weight stabilizer screwed to the fix base and black plastic feet; moving part equipped with castors for opening. The two portions are hinged together, and magnets inside the structural frame ensure sturdy closure. Available in right and left version.

### Structure

### Notes

Wood is a living material; therefore, it can have slight color and dimension changes. The presence of any non-homogeneous color shades is not to be considered a defect but a quality. Please note that the direct sunlight exposure may alter the wood color; therefore, we recommend the periodic position shift of the objects placed on the furniture for the first months to avoid differences in shades between exposed and covered portions.
