

FROG LOUNGE (INDOOR + OUTDOOR) design  
Piero Lissoni

Chaise longue available for indoor and outdoor. Padded armchair

**Indoorversion:** supporting frame in steel with chromed-plated finish or epoxy powder coating gunmetal grey color, burnish color, RALK7 9010 white or RALK7 9017 black and, on request, AISI 316 Stainless Steel with matt satin-finish. Metal chassis embedded in cold-expanded polyurethane foam with covering in 100% polyether thermally bonded onto a polyamidevelveteen backing. Back and seat cushion with preformed polyurethane foam structure, covered with acrylic fibre layers. Quilted fabric or leather upholstery. The fabric version only is fully removable by zippers and Velcro fastenings after unscrewing the chassis from the supporting frame.

**Outdoorversion:** supporting frame in Stainless Steel AISI 316 with matt satin finish or Stainless Steel 316 with epoxy polyester powder coating gunmetal grey color, burnish color, RALK7 9010 white or RALK7 9017 black. Backrest and seat metal chassis embedded in cold- expanded polyurethane foam covered with a heat- sealed waterproof fabric protection. Back and seat padding with preformed open-cell structure polyurethane foam DRYFEEL S and fibre for outdoor, coated with waterproof fabric protection. Upholstery, with outdoor fabrics only, always quilted and fully

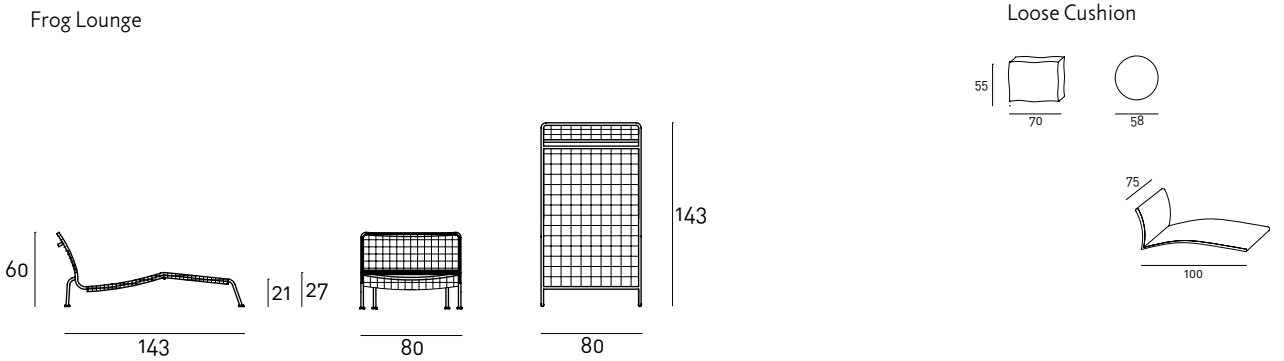

removable by zippers and Velcro fastenings after unscrewing the chassis from the supporting frame. For fabrics with designs/pattern, upholstery in one piece with stitching at sight.

Woven armchair and chaise longue.

**Indoor version:** supporting frame in AISI 316 Stainless Steel with matt satin-finish, steel with chromed-plated finish or epoxy powder coating gunmetal grey color, burnish color, RAL–K7 9010 white and RAL–K7 9017 black. Woven with hide, PVC profile or in cellulose cord in the colours available in the collection (only for the armchair). Supporting cushions in polyurethane foam covered with acrylic fibre layers and fabric or leather upholstery, both fully removable by zippers.

**Outdoor version:** supporting frame in AISI 316 Stainless Steel with matt satin-finish or epoxy powder coating gunmetal grey colour, burnish colour, RAL–K7 9010 white and RAL–K7 9017 black. Woven with PVC profile, in the colours available in the collection. Supporting cushions in open-cell structure polyurethane foam DRYFEEL S and fibre for outdoor, coated with waterproof fabric protection. Upholstery with outdoor fabrics only. Cushions’ upholstery, in both versions, fully removable by zippers. Seat depth: 51–105cm.
