- EN 581-1: General Safety Requirements for outdoor furniture - Contract level
- EN 581-3: Mechanical Safety Requirements for outdoor tables - Contract level
- BIFMA X5.5-2021: Desk and Table Products

SPECIFICATIONS*

Wood:

New wooden, teak furniture has natural colour differences found in the freshly cut wood. Once the furniture has been exposed to the sun, these colour differences will even out. As a natural part of the aging process, the surface of teak will change when first being exposed to rain and sunlight; this is the first stage of a process of wood that ages with beauty.
